

LAURENT-GUY MORIN

Career and Personal Paths

He spent nearly 39 years in a financial institution, including 17 years as a manager. This mentor has distinguished himself through his extensive volunteer work. He has received several public acknowledgements in this regard, including the acknowledgement of the government of Canada.

Why I Became an Entrepreneur or Administrator

I have always enjoyed leading employees. Relationships established with clients have always been a source of motivation for me.

Why I Am a Mentor

If I can use my experience to coach them to the best of my knowledge and help them reach their goals, I will have the satisfaction of having fulfilled my duty.

My Guiding Values

I enjoy working with people. Effort, Encouragement, and Success.

My Passions and Interests

Golf, singing with the Granby singers (for 61 years), and involvement in several causes, such as Alzheimer's and heart diseases.
