PRESS RELEASE

Nomination of New Head Mentor

On November 16, Mr. Sylvain Fausse announced that he would step down as head mentor of the cellule de Mentorat pour entrepreneurs et intrapreneurs Granby et région.

Mr. Fausse had held the position since 2014. As a head mentor involved in and devoted to the cause of mentoring, he was involved in several projects, notably the association between the cell and the organization currently responsible for it, the integration of mentors associated with the mentorship cell of the board of trade, the relaunching of the Colloque du Mentorat (mentorship symposium), as well as the creation of associations with various financial partners, thereby creating a new dynamic. Mr. Fausse remains active within the cell as a mentor.

Mr. Michel Rouillard, an accomplished mentor who has been working within the cell for over 10 years, will succeed Mr. Fausse. He was actually head mentor from 2011 to 2013 and president of the conseil régional du mentorat Montérégie-Est from June 2011 to December 2015.

Our sincere thanks to Mr. Fausse for his involvement, and the best of luck to Mr. Rouillard.
